The Trails Are Calling...Come Join Us!

MISSION STATEMENT

The Western Slope 4 Wheelers club works very closely with the BLM and the US Forest Service to ensure that off-roading and outdoor activities on public lands will remain available to all. It is important to understand that the work we do and the programs in which we are involved benefit everyone. Our trails efforts benefit not only four-wheeling, but hunting, hiking, camping, mountain biking, horseback riding, ATV riding, skiing, snowmobiles, and dirt biking. We encourage you to become active in keeping your public lands open and available for present-day uses, and for use by future generations. Please consider doing so by becoming a member of the Western Slope 4 Wheelers club, and by participating in our efforts to protect your public land usage.

THE WESTERN SLOPE 4 WHEELERS CLUB

... is a group of off-road enthusiasts who enjoy four-wheeling and who work to protect four-wheeling rights on our public lands. The club was founded in February 1998. Club adventures range from mild to extreme. Runs include day trips on trails in the Montrose area, the San Juan Mountains, and elsewhere. Other club gatherings include bowling, participation in parades, weekend trips outside the Montrose region, and week-long cross-country trips. Weekend and week-long trips often include camping.

Come join us for family fun on the trails!
